SUMMARY

- I'm a student of Computer Science and Engineering at Rajshahi University of Engineering and Technology. Besides my academic education, I'm interested in teaching. I love to know new things, enrich my knowledge & improve my skills. Basically I teach HSC Physics and Mathematics. I love to teach the core concept of physics and mathematics so that students can build a strong foundation of these subjects. I'm also passionate in programming. I love to develop fancy and interactive website on my free time.
